

The Flowering of Christ / Resurrection 7

Sunday, September 4, 2022 5:00 am

1. I come to you on this fine day to support you in your knowing, being, and doing. It is I, Mother Mary, and I greet each of you on our first Sunday in September 2022. The time for communication is now. There will come a time when I will pass the baton to other souls who wait in the wings, but not yet. They are still absorbing the secret knowledge of how to communicate with humans who live in societies drenched in ego and darkness. The willingness each of you has shown to listen with your heart is the key. You each meet me halfway and together we accomplish our goal of unity in relationship. Ongoing conversation is key to any relationship, but especially so with those that cross the boundaries of time and space.
2. One announcement before we dive in. Mary Magdalene is busy with a full-time project on the earth, but we have arranged for her to speak to you by continuing to provide the Secrets of Christ installments. She gave the one last week, but Rick didn't make note, so please know that it was her presentation. There have been questions.
3. Here is a topic for the ages.
4. 'Mother Mary, I mentally checked out of the world a long time ago. I don't care about it and don't think it's worth saving.'
5. We're not saving anything. We are transforming everything, starting with you. Your attitude is not helpful and is not a loving one and does not reflect your soul's values. I'm not sorry that this may sound harsh, dear one. I will not apologize for speaking the truth. Your ego checked out. Your soul never did and never will. Consider this a loving kick in the buttocks. Wake up. Drink some coffee if you must and join us in the great transformation right now, today. We need you.
6. Love, Mother Mary
7. P.S. I Am not a graven image. I Am as real as you are.

End Time: 5:32 am

Secrets of Christ 8

Sunday, September 4, 2022 5:35 am

1. As presented by Mary Magdalene
2. Christ can be ignored and maligned, but it shines anyway. It is the ego that needs to be exalted in the world. It will wither without the lavish praise it is obsessed over receiving. Christ doesn't need or want praise. It is meaningless from egos. Christ shares everything and wants nothing in return. Now tell me, which one will you choose to express as today, Christ or ego? The choice is yours, as it always has been, but only one has value. The other one is valueless.
